

VIRTUAL CLE SERIES LAUNCHING MAY 1ST WWW.TOGETHERLAWYERSCAN.ORG

Kentucky is facing an unprecedented challenge. Over 3,000 Kentuckians have been infected with the coronavirus and thousands more have been directly impacted in the economic aftershock of the crisis. Kentucky's legal aid programs have launched [Together Lawyers Can](http://www.togetherlawyerscan.org) to address the anticipated rise in numbers and need for civil legal aid. Together Lawyers Can is a state-wide pro bono based program designed to connect Kentucky lawyers from across the Commonwealth with our neighbors in crisis due to the pandemic.

JOINING TOGETHER LAWYERS CAN AND FREE CLEs

Join the team by visiting www.togetherlawyerscan.org. By signing up you will receive invitations to virtual CLEs on civil legal issues impacting Kentuckians. The first CLE will be live beginning at Noon, Friday May 1st (Law Day). This three-hour CLE will cover Unemployment Insurance and Unemployment Insurance appeals and will remain live on the website for a year.

VOLUNTEER TO HELP KENTUCKIANS

Once you've watched the CLE you will be ready to serve as a Together Lawyers Can volunteer by representing Kentuckians who have been denied unemployment insurance benefits related to the COVID-19 pandemic. These telephonic hearings enable attorneys to represent clients who desperately need these benefits while maintaining safe social distancing.
